PRESS RELEASE

Bubonic Productions presents

Plague! The Musical

by **David Massingham and Matt Townend**

From the twisted minds of a city banker and a penniless teacher, Plague! The Musical is set to sweep through Edinburgh like a resplendent rash! Proudly bearing no relation to history whatsoever, alchemists, undertakers and mutant rats come together in a cacophony of disease, death and catchy tunes.

Long before MRSA, SARS and Boris Johnson, Clive Hucklefish has come to London to seek his fame and fortune. In no time at all he has joined a band of destitute undertakers, fallen in love with an alchemist's daughter and unwittingly started the Great Plague! Business booms but when the disease strikes too close to home, Clive realises he must take action before it's too late.

The bastard child of a drunken conversation, **Plague!** has grown like a tumour in the minds of writers **David Massingham** and **Matt Townend**. Now, six years later, they are ready to unleash this new strain of musical upon an unsuspecting populace! As a successful city slicker, Massingham has funded his dream from inflation-busting banking bonuses, whilst Townend has sold his house, moved in with his mum, and re-mortgaged his dog, just to reach Auld Reekie.

No cure. No vaccine. No refund. Catch Plague! Before it catches you...
